On April 17, 2020, the registrant announced the completion of its previously announced going private transaction with respect to Changyou.com Limited (the "Changyou") (the "Changyou Merger"). A copy of the press release issued by the registrant regarding the foregoing is furnished herewith as Exhibit 99.1.

Funds for the registrant's consummation of the Changyou Merger are being provided by Industrial and Commercial Bank of China Limited, Tokyo Branch (the "ICBC Tokyo") pursuant to a facility agreement (the "Facility Agreement") entered into as of April 3, 2020 between ICBC Tokyo, the registrant's indirect wholly-owned subsidiary Sohu.com (Game) Limited (the "Sohu Game") as borrower and the registrant as guarantor. The Facility Agreement provides for a term loan facility of up to \$250 million (the "Term Facility"), subject to customary conditions, consisting of (i) a one-year term facility for term loans of up to \$100 million (the "One-Year Facility") and (ii) a four-year term facility for term loans of up to \$150 million (the "Four-Year Facility"). The outstanding principal amount of the loans under the One-Year Facility will be due in full on the one-year anniversary of the date of the first utilization of the One-Year Facility. The outstanding principal amount of the loans under the Four-Year Facility will be due in installments, with \$7.5 million due and payable at the end of each of the second and third calendar years during the term of the Four-Year Facility and the remaining outstanding principal amount due and payable on the fourth anniversary of the date of the first utilization of the One-Year Facility.

The Term Facility bears interest at a rate of LIBOR plus a margin of 1.75%, with Three Month LIBOR to be determined by ICBC on the basis of the London InterBank Offered Rate published two business days before the first day of each three calendar month interest period. Accrued interest will be due every three calendar months on the first day after the end of each such three-month interest period.

The obligations of Sohu Game as borrower under the Term Facility are initially fully guaranteed by the registrant, and are initially secured by first priority share pledges or mortgages over 97.9% of the outstanding equity interests in Changyou. In addition, Sohu Game is required to cause Changyou, within one (1) month after the initial funding under the Term Facility, to pledge a deposit certificate evidencing a Renminbi, the legal currency of China (the "RMB"), deposit equivalent to not less \$125 million at an exchange rate of \$1.00 = RMB7.20 and, within three months after the initial funding under the Term Facility, to pledge RMB deposit certificates evidencing amounts equivalent to the Facility Agreement amount (including the initial \$125 million-equivalent deposit certificate). Upon the effectiveness of such additional pledge, the registrant's guarantee and all share pledges or mortgages over the outstanding equity interests in Changyou will be released and discharged.

**Sohu.com Announces Completion of Changyou Going-Private Transaction**

BEIJING, China, April 17, 2020 □ Sohu.com Limited (NASDAQ: SOHU) (□Sohu□), China's leading online media, video, search and gaming business group, today announced that it has completed the acquisition of all of the outstanding shares of Changyou.com Limited (□Changyou□) that it did not already beneficially own, through the merger (the □Changyou Merger□) of an indirect wholly-owned subsidiary (□Changyou Merger Co.□) of Sohu with and into Changyou, with Changyou being the company surviving the Changyou Merger. As a result of the Changyou Merger, Changyou has become a private company wholly owned directly and indirectly by Sohu and the American depositary shares of Changyou (the □Changyou ADSs□), each of which represented two Changyou Class A ordinary shares (□Changyou Class A Ordinary Shares□), are no longer traded on the Nasdaq Global Select Market.

Pursuant to the plan of merger for the Changyou Merger, each Changyou Class A Ordinary Share issued and outstanding immediately prior to the effectiveness of the Changyou Merger, other than Changyou Class A ordinary shares owned beneficially by Sohu, was cancelled in exchange for the right to receive \$5.40 in cash without interest, and each outstanding Changyou ADS was cancelled in exchange for the right to receive \$10.80 in cash without interest (less \$0.05 per ADS cancellation fees and other fees as applicable). Because Changyou Merger Co. owned over 90% of the voting power represented by all issued and outstanding shares of Changyou prior to the effectiveness of the Changyou Merger and the Changyou Merger was in the form of a short-form merger in accordance with section 233(7) of the Companies Law of the Cayman Islands, the Changyou Merger was not subject to a vote of the shareholders of Changyou.

In connection with the Changyou Merger, each outstanding and fully-vested option (each, a □Vested Option□) to purchase Changyou Class A Ordinary Shares under Changyou's share incentive plans was cancelled, and each holder of a Vested Option has the right to receive an amount in cash determined by multiplying (x) the excess, if any, of \$5.40 over the applicable exercise price of such Vested Option by (y) the number of Changyou Class A Ordinary Shares underlying such Vested Option; and each outstanding but unvested option (each, an □Unvested Option□) to purchase Changyou Class A Ordinary Shares under Changyou's share incentive plans will remain outstanding and continue to vest following the effectiveness of the Changyou Merger in accordance with the applicable Changyou share incentive plan and award agreement governing such Unvested Option in effect immediately prior to the effectiveness of the Changyou Merger.

Changyou has requested that trading of Changyou ADSs on the Nasdaq Global Select Market be suspended, and that the Nasdaq Stock Market LLC (□Nasdaq□) file with the Securities and Exchange Commission (the □SEC□) a Form 25 notifying the SEC of Nasdaq's withdrawal of the Changyou ADSs from listing on Nasdaq and intention to withdraw the Changyou Class A Ordinary Shares from registration under Section 12(b) of the Securities Exchange Act of 1934, as amended (the □Exchange Act□). Changyou has informed Sohu that it intends to file with the SEC, ten days after Nasdaq files the Form 25, a Form 15 suspending Changyou's reporting obligations under the Exchange Act and withdrawing the registration of Changyou Class A Ordinary Shares under the Exchange Act. Changyou's obligations to file with or furnish to the SEC certain reports and forms, including Form 20-F and Form 6-K, will be suspended immediately as of the filing date of the Form 15 and will terminate once the deregistration of Changyou Class A Ordinary Shares becomes effective.

China Renaissance, through its subsidiary CRP-Fanya Investment Consultants (Beijing) Limited, has served as financial advisor to Sohu in connection with the Changyou Merger; Goulston & Storrs PC has served as U.S. legal counsel to Sohu; and Han Kun Law Offices has served as PRC legal counsel to Sohu.

Houlihan Lokey (China) Limited has served as financial advisor to the committee of independent and disinterested directors established by Changyou's board of directors (the Changyou Special Committee) to review and evaluate the Changyou Merger; and Skadden, Arps, Slate, Meagher & Flom LLP has served as U.S. legal counsel to the Changyou Special Committee.

Conyers Dill & Pearman has advised as to Cayman Islands legal matters with respect to the Changyou Merger.
