Transaction Agreement for Sale of 17173 Business

On November 29, 2011 the registrant (“Sohu”) entered into a Master Transaction Agreement (the “Transaction Agreement”) between, on the one hand, Sohu and its subsidiaries and variable interest entities Sohu.com Limited, Beijing Sohu Internet Information Service Co., Ltd., Beijing Sohu New Era Information Technology Co., Ltd., and Beijing Sohu New Media Information Technology Co., Ltd. (Sohu and such subsidiaries and variable interest entities, collectively, the “Sellers”), and, on the other hand, Changyou.com Limited, an indirect majority-owned subsidiary of the registrant (“Changyou”), and its subsidiaries and variable interest entities Changyou.com HK Limited, Beijing Changyou Gamespace Software Technology Co., Ltd., and Beijing Guanyou Gamespace Digital Technology Co., Ltd (Changyou and such subsidiaries and variable interest entities, collectively, the “Buyers”). Upon the terms and subject to the conditions of the Transaction Agreement, Changyou and the other Buyers will acquire from Sohu and the other Sellers the business of 17173.com, a leading game information portal in China (the “17173 Business”).

Under the Transaction Agreement, the Buyers will acquire from the Sellers all assets associated with the 17173 Business for fixed cash consideration of US\$162.5 million. The parties have agreed to customary representations, warranties, indemnities and covenants in the Transaction Agreement, including, among others, pre-closing covenants by the Sellers to conduct the 17173 Business in the ordinary course consistent with past practice and not to engage in certain kinds of transactions relating to the 17173 Business without the consent of the Buyers. The Transaction Agreement also provides for a brief transition period from the closing through December 31, 2011, during which time the operation of the 17173 Business by the Buyers in the ordinary course of business generally will be for the benefit and at the risk of the Sellers.

The Transaction Agreement also includes various other provisions customary for transactions of this nature. The transaction is expected to close in December 2011, subject to customary closing conditions specified in the Transaction Agreement. The Transaction Agreement also contains certain customary termination rights for both Buyers and Sellers. The foregoing summary is not intended to be complete and is qualified in its entirety by reference to the Transaction Agreement, a copy of which is filed herewith as Exhibit 10.1 and incorporated herein by reference.

The registrant and Changyou have also revised their existing non-competition agreement to provide Sohu’s agreement not to compete with Changyou in the 17173 Business for a period of five years following the closing under the Transaction Agreement. A copy of the revised non-competition agreement is filed herewith as Exhibit 10.2 and incorporated herein by reference.

Services Agreement and Online Links and Advertising Agreement

Separately, the registrant and Changyou have entered into a services agreement and an online links and advertising agreement (together, the “Services and Advertising Agreements”), pursuant to which the registrant will provide specified links and advertising space and technical support to Changyou, including the provision and maintenance of the user log-in system, information management system and virtual currency payment system. The Services and Advertising Agreements will provide for a term of twenty-five years for the virtual current payment system services, and an initial term of three years for all the other relevant services and links and advertising space, and will involve aggregate fees to the registrant of approximately US\$30 million. Under the Services and Advertising Agreements, Changyou may renew certain rights for a subsequent term of twenty-two years, and may obtain a perpetual software license in respect of the information management system and user log-in system following the expiration of the three-year term, subject to Changyou’s payment to the registrant of additional fees of up to approximately US\$5 million in aggregate.

The foregoing summary is not intended to be complete and is qualified in its entirety by reference to the Services and Advertising Agreements, copies of which are filed herewith as Exhibits 10.3 and 10.4 and incorporated herein by reference.

Audit Committee and Board Approval of Related Party Transactions

Early in the course of discussions concerning a potential transaction regarding the 17173 Business between Sohu and Changyou, management of each of Sohu and Changyou, respectively, determined that, in view of Sohu's status as Changyou's controlling shareholder and Dr. Charles Zhang's positions as Chairman of the Board and Chief Executive Officer of Sohu as well as Chairman of the Board of Changyou, and his status as both beneficial holder of approximately 20.1% of the outstanding capital stock of Sohu and 47,900 Changyou American depositary shares, such a transaction would be a related party transaction, and Changyou determined to (i) retain separate U.S. and PRC legal counsel to advise it on the proposed transaction, conduct legal due diligence on the 17173 Business and assist it with negotiation of the Transaction Agreement and related agreements and the Services and Advertising Agreements, and (ii) retain a separate Big Four accounting firm to assist with financial due diligence of the 17173 Business. Sohu management asked the Audit Committee of the Board of Directors of Sohu to consider the fairness to Sohu of the consideration to be received under the Transaction Agreement and to determine whether to recommend to the full Sohu Board that it approve the Transaction Agreement, and Changyou management similarly asked the Audit Committee of the Board of Directors of Changyou to consider the fairness to Changyou of the consideration to be paid under the Transaction Agreement and to determine whether to recommend to the full Changyou Board that it approve the Transaction Agreement. Dr. Zhang recused himself from participation in the negotiation of the Transaction Agreement and the Services and Advertising Agreements, did not participate in discussion of such agreements and transactions by Changyou's Board of Directors and abstained from voting on such agreements and transactions on Changyou's Board of Directors.

Sohu retained American Appraisal China Limited for purposes of providing a fairness opinion to Sohu's Audit Committee in connection with the Transaction. American Appraisal China Limited provided its opinion to Sohu's Audit Committee that the consideration to be received by Sohu under the Transaction Agreement is fair, from a financial point of view, to Sohu. American Appraisal China Limited's opinion is subject to and conditioned upon all definitions, assumptions and conditions set forth in the text of the written opinion. A copy of the fairness opinion of American Appraisal China Limited is filed herewith as Exhibit 99.1. Changyou separately engaged a financial advisor in connection with the Transaction Agreement to render a fairness opinion to Changyou's Board of Directors.

The Audit Committee of Sohu's Board of Directors determined that the consideration to be received by Sohu under the Transaction Agreement was fair to Sohu and recommended that its full Board of Directors approve the Transaction Agreement. The full Board of Directors, in reliance in part upon the Audit Committee's determination as to the fairness of the consideration to be received by Sohu and upon the Audit Committee's recommendation, approved the Transaction Agreement. The Audit Committee of Changyou's Board of Directors determined that the consideration to be paid under the Transaction Agreement was fair to Changyou and recommended that its full Board of Directors approve the Transaction Agreement. The full Board of Directors, in reliance in part upon the Audit Committee's recommendation and the fairness opinion received by Changyou's Board of Directors, determined that the consideration to be paid by Changyou was fair to Changyou, and approved the Transaction Agreement.

The Audit Committees of the Boards of Directors of each of Sohu and Changyou recommended that their respective full Boards of Directors approve the Services and Advertising Agreements, based on their respective managements' reports that the consideration under the Services and Advertising Agreements was determined based on prevailing market rates for similar services and links and advertising space. In addition, in reliance in part on such reports, Sohu's Audit Committee determined that the consideration to be received under the Service and Advertising Agreements is fair to Sohu, and Changyou's Audit Committee and Board of Directors determined that the consideration to be paid under the Services and Advertising Agreements is fair to Changyou, and the Boards of Directors of both Sohu and Changyou approved the Services and Advertising Agreements.

Section 4.02. Authority of the Sellers. Each Seller has full corporate power and authority to enter into this Agreement and the other Transaction Documents to which such Seller is a party, to carry out its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The execution and delivery by each Seller of this Agreement and any other Transaction Document to which such Seller is a party, the performance by such Seller of its obligations hereunder and thereunder and the consummation by such Seller of the transactions contemplated hereby and thereby have been duly authorized by all requisite corporate action on the part of such Seller. The Financial Statements have been prepared in accordance with GAAP applied on a consistent basis throughout the period involved, subject, in the case of the Interim Financial Statements, to normal and recurring year-end adjustments (the effect of which will not be materially adverse) and the absence of notes (that, if presented, would not differ materially from those presented in the Audited Financial Statements). The Financial Statements are based on the books and records of the 17173 Business, have been prepared as if the structure of the 17173 Business as of the Closing Date had been in existence throughout the periods presented, and fairly present, in all material respects, the financial condition of the 17173 Business as of the respective dates they were prepared and the results of the operations of the 17173 Business for the periods indicated. To the Knowledge of the Sellers, there are no material contingent or asserted claims, refusals to pay, or other rights of set-off with respect to any Accounts Receivable. Section 8.05. Indemnification Procedures. The party making a claim under this Article VIII is referred to as the “**Indemnified Party**”, and the party against whom such claims are asserted under this Article VIII is referred to as the “**Indemnifying Party**”.

(a) **Third Party Claims.** If any Indemnified Party receives notice of the assertion or commencement of any Action made or brought by any Person who is not a party to this Agreement or an Affiliate of a party to this Agreement or a Representative of the foregoing (a "**Third Party Claim**") against such Indemnified Party with respect to which the Indemnifying Party is obligated to provide indemnification under this Agreement, the Indemnified Party shall give the Indemnifying Party reasonably prompt written notice thereof, but in any event not later than thirty (30) calendar days after receipt of such notice of such Third Party Claim. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except and only to the extent that the Indemnifying Party forfeits rights or defenses by reason of such failure. Such notice by the Indemnified Party shall describe the Third Party Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have the right to participate in, or by giving written notice to the Indemnified Party, to assume the defense of any Third Party Claim at the Indemnifying Party's expense and by the Indemnifying Party's own counsel, and the Indemnified Party shall cooperate in good faith in such defense. In the event that the Indemnifying Party assumes the defense of any Third Party Claim, subject to **Section 8.05(b)**, it shall have the right to take such action as it deems necessary to avoid, dispute, defend, appeal or make counterclaims pertaining to any such Third Party Claim in the name and on behalf of the Indemnified Party. The Indemnified Party shall have the right to participate in the defense of any Third Party Claim with counsel selected by it subject to the Indemnifying Party's right to control the defense thereof. The fees and disbursements of such counsel shall be at the expense of the Indemnified Party. If the Indemnifying Party elects not to compromise or defend such Third Party Claim, fails to promptly notify the Indemnified Party in writing of its election to defend as provided in this Agreement, or fails to diligently prosecute the defense of such Third Party Claim, the Indemnified Party may, subject to **Section 8.05(b)**, pay, compromise, defend such Third Party Claim and seek indemnification for any and all Losses based upon, arising from or relating to such Third Party Claim. The Sellers and the Buyers shall cooperate with each other in all reasonable respects in connection with the defense of any Third Party Claim, including making available (subject to the provisions of **Section 6.05**) records relating to such Third Party Claim and furnishing, without expense (other than reimbursement of actual out-of-pocket expenses) to the defending party, management employees of the non-defending party as may be reasonably necessary for the preparation of the defense of such Third Party Claim.

(b) **Settlement of Third Party Claims.** Notwithstanding any other provision of this Agreement, the Indemnifying Party shall not enter into settlement of any Third Party Claim without the prior written consent of the Indemnified Party, except as provided in this **Section 8.05(b)**. If a firm offer is made to settle a Third Party Claim without leading to Liability or reputational damages or the creation of a financial or other obligation on the part of the Indemnified Party and provides, in customary form, for the unconditional release of each Indemnified Party from all Liabilities and obligations in connection with such Third Party Claim and the Indemnifying Party desires to accept and agree to such offer, the Indemnifying Party shall give written notice to that effect to the Indemnified Party. If the Indemnified Party fails to consent to such firm offer within ten (10) days after its receipt of such notice, the Indemnified Party may continue to contest or defend such Third Party Claim and in such event, the maximum liability of the Indemnifying Party as to such Third Party Claim shall not exceed the amount of such settlement offer. If the Indemnified Party fails to consent to such firm offer and also fails to assume defense of such Third Party Claim, the Indemnifying Party may settle the Third Party Claim upon the terms set forth in such firm offer to settle such Third Party Claim. If the Indemnified Party has assumed the defense pursuant to Section 8.05(a), it shall not agree to any settlement without the written consent of the Indemnifying Party (which consent shall not be unreasonably withheld or delayed).

(c) **Direct Claims.** Any Action by an Indemnified Party on account of a Loss which does not result from a Third Party Claim (a "**Direct Claim**") shall be asserted by the Indemnified Party giving the Indemnifying Party reasonably prompt written notice thereof, but in any event not later than thirty (30) days after the Indemnified Party becomes aware of such Direct Claim. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except and only to the extent that the Indemnifying Party forfeits rights or defenses by reason of such failure. Such notice by the Indemnified Party shall describe the Direct Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have thirty (30) days after its receipt of such notice to respond in writing to such Direct Claim. The Indemnified Party shall allow the Indemnifying Party and its professional advisors to investigate the matter or circumstance alleged to give rise to the Direct Claim, and whether and to what extent any amount is payable in respect of the Direct Claim and the Indemnified Party shall assist the Indemnifying Party's investigation by giving such information and assistance (including access to the Indemnified Party's premises and personnel and the right to examine and copy any accounts, documents or records) as the Indemnifying Party or any of its professional advisors may reasonably request. If the Indemnifying Party does not so respond within such thirty (30) day period, the Indemnifying Party shall be deemed to have rejected such claim, in which case the Indemnified Party shall be free to pursue such remedies as may be available to the Indemnified Party on the terms and subject to the provisions of this Agreement.

(d) **Cooperation.** Upon a reasonable request by the Indemnifying Party, each Indemnified Party seeking indemnification hereunder in respect of any Direct Claim, hereby agrees to consult with the Indemnifying Party and act reasonably to take actions reasonably requested by the Indemnifying Party in order to attempt to reduce the amount of Losses in respect of such Direct Claim. Any costs or expenses associated with taking such actions shall be counted as Losses hereunder.

Section 8.06. Payments. Once a Loss is agreed to by the Indemnifying Party or finally adjudicated to be payable pursuant to this Article VIII, the Indemnifying Party shall satisfy its obligations within thirty (30) Business Days of such final, non-appealable adjudication by wire transfer of immediately available funds.

Section 8.07. Tax Treatment of Indemnification Payments. All indemnification payments made under this Agreement shall be treated by the parties as an adjustment to the Purchase Price for Tax purposes, unless otherwise required by Law, in which case such payments shall be made in an amount sufficient to indemnify the Indemnified Party on an after-Tax basis.

Section 8.08. Exclusive Remedies. Except for claims for specific performance and injunctive relief pursuant to **Section 10.11**, the parties acknowledge and agree that their sole and exclusive remedy with respect to any and all claims (other than claims arising from fraud or willful misconduct on the part of a party hereto in connection with the transactions contemplated by this Agreement) for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement, shall be pursuant to the indemnification provisions set forth in this Article VIII. In furtherance of the foregoing, each party hereby waives, to the fullest extent permitted under Law, any and all rights, claims and causes of action for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement it may have against the other parties hereto and their Affiliates and each of their respective Representatives arising under or based upon any Law, except pursuant to the indemnification provisions set forth in this Article VIII. Nothing in this Section 8.08 shall limit any Person's right to seek and obtain any equitable relief to which any Person shall be entitled, including without limitation, specific performance and/or injunctive relief, or to seek any remedy on account of any Person's fraudulent or willful misconduct.

Section 10.06. Entire Agreement. This Agreement and the other Transaction Documents constitute the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein and therein, and supersede all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

It is the intent of the parties that such use will constitute a rental/licensing of the relevant advertising space from Sohu to Changyou. In particular, Sohu will provide to Changyou the use of advertising space related to certain advertising and marketing efforts (collectively, the "**Specified Transactions**") for the 17173 Business as follows:

For each fiscal year, Sohu and Changyou will discuss and agree on the details of the Additional Items, such as the position, period of display, and price by January 31 of such year. The price for Additional Items shall be based on standard Sohu pricing policies for third parties in effect from quarter to quarter, according to the actual amount of advertising space ordered by Changyou. Changyou will make an advance payment of RMB114,390,000 (the "Advance Payment") to Sohu prior to January 31, 2012 against Fees payable under this Section 3.2. In the event that the actual Fees payable under this Section 3.2 for the period from January 1, 2012 through December 31, 2014 are less than RMB114,390,000, the balance of the Advance Payment will be applied to future purchases of advertisements by Changyou from Sohu (whether or not for the 17173 Business); and in the event that the actual Fees payable under this Section 3.2 for the period from January 1, 2012 through December 31, 2014 exceed RMB114,390,000, Changyou will pay the excess amount to Sohu within thirty (30) working days after the end of each applicable quarter. Changyou personnel will design the Additional Items and have complete and exclusive control over their content and format, subject only to Sohu policies applicable to all advertisers. It is currently not contemplated that Sohu will provide services to Changyou under this Agreement. In the event that Changyou determines that Changyou has a need for Sohu's services in relation to Additional Items in the future, however, Sohu and Changyou will discuss such services and agree as to appropriate payment for, and the scope of, any such services.

- 3.3 If, due to operational requirements, Sohu determines in its reasonable and sole discretion that it needs to make changes to the home page, catalogue pages or channels on the Sohu Websites, and such changes will result in changes to the position and/or size of a link and/or the Additional Items, then Sohu will notify Changyou in writing of its intended changes fifteen (15) days in advance of making such changes, specifying the revised position and size of the link and/or the Additional Items. Changyou will, within ten (10) days of receiving the aforementioned notice, confirm its understanding of the same in writing to Sohu. Sohu will make reasonable efforts to accommodate any objections Changyou makes to such changes within such ten-day period, provided that Sohu will be under no obligation to make any such accommodation if Sohu reasonably determines that such accommodation is not practicable. Changyou.com to Acquire Leading Game Information Portal 17173.com from Sohu.com and Kick Off its Platform Strategy

New York, November 29, 2011 – Changyou.com Limited (“Changyou”) (NASDAQ: CYOU), a leading online game developer and operator in China, and its majority shareholder, Sohu.com Inc. (“Sohu”) (NASDAQ: SOHU), China’s leading online media, search, gaming, community and mobile service group, today jointly announced that on November 29, 2011 they entered into a definitive agreement (the “Transaction Agreement”) for Changyou to acquire from Sohu the business of 17173.com (“17173”), a leading game information portal in China (the “17173 Business”). 17173.com is widely regarded as an authoritative source of news for a wide variety of games.

Under the Transaction Agreement, Changyou will acquire from Sohu all assets associated with the 17173 Business for fixed cash consideration of US\$162.5 million. The transaction is expected to close in December 2011, subject to customary closing conditions specified in the Transaction Agreement. In connection with the Transaction Agreement, Sohu and Changyou have revised their existing non-competition agreement to provide Sohu’s agreement not to compete with Changyou in the 17173 Business for a period of five years after the closing under the Transaction Agreement.

Mr. Tao Wang, Changyou’s chief executive officer, said, “Changyou’s acquisition of the 17173 business provides us with a powerful base to jumpstart our services and platform initiative. As a leading online destination for gamers in China, 17173 has strong media presence in the games sector and a vast base of users for which we can develop services and tools to grow 17173 into a leading platform and one-stop-shop service-provider for gamers. Aside from news services, gamers today have needs for downloading, sharing, and trading services, as well as online community, and more. This acquisition will further drive our efforts to serve gamers not only on the product side, but also on the service side.”

Mr. Tao Wang further commented, “We look forward to building on the brand strength 17173 has developed over the past 10 years and enhancing its services to make it an even more powerful and effective marketing medium for advertising clients. Our leading position in Web-based games and our mobile game initiatives give us advanced market knowledge that 17173 can leverage to plan and grow its news channels more effectively. In addition, our offline promotion workforce and our network of overseas game companies can also be used to promote 17173 and further increase its penetration in domestic market and accelerate its expansion into new markets.”

Dr. Charles Zhang, Sohu's chairman and chief executive officer said, "This transaction helps to re-align our business activities, and brings together Sohu's two leading game-related businesses, and their respective management teams. We share Changyou's vision for 17173 and support their strategy to scale its portal and services to deliver more content, tools and services to an even larger audience. The combination of Changyou and 17173 is expected to bring about synergies that will increase the shareholder value of both businesses over the long term, and Sohu will enjoy the benefit of any such increase as a majority shareholder in Changyou."

17173.com is a well-established news provider and advertising medium for games in China and a leading online destination for gamers. Highly regarded by gamers for its authoritative reporting of game-related news, it has captured the top spot in the "Game Media" category at the Annual Game Industry Awards Gala for the past six years. 17173 currently provides its vast user base with rich content channels that tap into the wide span of gamers' interests, covering everything from "Massively Multiplayer Online Games" to "eSports" to "Game Unions", plus over 650 dedicated game zones for popular games.

Separately, Changyou and Sohu have entered into a services agreement and an online links and advertising agreement (collectively, the "Services and Advertising Agreements"), pursuant to which Sohu will provide specified technical support and links and advertising space to Changyou, including the provision and maintenance of the user log-in system, information management system and virtual currency payment system. The Services and Advertising Agreements will provide for a term of twenty-five years for the virtual current payment system services, and an initial term of three years for all the other relevant services and links and advertising space and will involve aggregate fees to Sohu of approximately US\$30 million. Under the Services and Advertising Agreements, Changyou may renew certain rights for a subsequent term of twenty-two years, and may obtain a perpetual software license in respect of the information management system and user log-in system following the expiration of the three-year term, subject to Changyou's payment to Sohu of additional fees of up to approximately US\$5 million in aggregate.

The Boards of Directors of both Changyou and Sohu have approved the Transaction Agreement, and the transactions and related agreements contemplated thereby, and the Services and Advertising Agreements. Because the Transaction Agreement is a quite significant transaction for both Changyou and Sohu and the transactions and related agreements contemplated thereby and the Services and Advertising Agreements are related-party transactions between Changyou and Sohu, the Audit Committees of both companies independently reviewed and approved such agreements and transactions, both companies received third-party fairness opinions as to the fairness, from a financial point of view, of the consideration under the Transaction Agreement and each of their Audit Committees recommended approval of such agreements and transactions to their respective full Boards of Directors. In addition, in view of Dr. Charles Zhang's positions as the Chairman of the Board and Chief Executive Officer of Sohu and Chairman of the Board of Changyou, Dr. Zhang recused himself from participation in the negotiation of such agreements, did not participate in discussion of such agreements and transactions by Changyou's Board of Directors and abstained from voting on such agreements and transactions on Changyou's Board of Directors.
