ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 14, 2004 BEIJING TIME

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Sohu.com Inc. of proxies for use at Sohu's Annual Meeting of Stockholders (the "Annual Meeting") to be held at Sohu's offices located at 7 Jianguomen Nei Avenue, Suite 1519, Tower 2, Bright China Chang An Building, Beijing 100005, People's Republic of China, on Friday, May 14, 2004 at 10:00 a.m., Beijing time, and at any adjournments thereof. This Proxy Statement and the accompanying proxy card are first being mailed to stockholders on or about April 14, 2004. Sohu's Annual Report to Stockholders for the fiscal year ended December 31, 2003 is being mailed to the stockholders with this Proxy Statement, but does not constitute a part of the Proxy Statement.

If proxies are properly dated, executed and returned, the shares they represent will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, the shares represented by proxies will be voted as follows:

FOR the election of the nominees for directors named herein;

FOR approval of an amendment to Sohu's 2000 Stock Incentive Plan to increase the number of shares of common stock authorized for issuance under the plan from 7,000,000 to 8,000,000; and

FOR ratifying the appointment of PricewaterhouseCoopers as Sohu's independent auditors for the fiscal year ending December 31, 2004.

In addition, if other matters come before the Annual Meeting, the persons named in the accompanying proxy card will vote in accordance with their judgment with respect to those matters. You have the power to revoke your proxy at any time prior to its exercise by filing with Sohu's Chief Financial Officer an instrument revoking it, by delivering an executed proxy bearing a later date prior to or at the Annual Meeting, or by attending the Annual Meeting and voting in person.

Sohu will bear the cost of soliciting proxies. Solicitations may be made by mail, personal interview, telephone and/or telegram by Sohu's directors, officers and employees, without additional compensation for such solicitation activities. Sohu has made arrangements with The Bank of New York, 101 Barclay Street, Floor 11E, New York, NY 10286 and Georgeson Shareholder, 219 Murray Hill Parkway, East Rutherford, NJ 07073 to forward solicitation material to record holders of shares of common stock and the beneficial owners of shares held of record by brokers, banks, or other nominees. Sohu will reimburse banks, brokerage firms, other custodians, nominees and fiduciaries for reasonable expenses incurred in sending proxy material to beneficial owners of shares of common stock held in their respective names.

Only stockholders of record on Sohu's books at the close of business on March 23, 2004 will be entitled to vote at the Annual Meeting and any adjournments. Under Sohu's By-laws, the presence in person or by proxy of a majority of the shares of common stock outstanding on the record date is required for a quorum. Abstentions and broker non-votes are each included for purposes of determining the presence or absence of a sufficient number of shares to constitute a quorum for the transaction of business. With respect to the approval of any particular proposal, abstentions and broker non-votes are not counted in determining the number of votes cast. Other than the election of directors, which requires a plurality of the votes cast in person or by proxy, each matter to be submitted to the stockholders requires the affirmative vote of the holders of a majority of the shares of Sohu common stock that are present in person or by proxy at the Annual Meeting.

As of the close of business on March 31, 2004, there were 36,377,836 shares of Sohu common stock outstanding.

PROPOSAL I. ELECTION OF DIRECTORS

Our Board of Directors is divided into two classes, with each class holding office for a term of two years and the term of one class expiring each year. The Board has fixed the number of directors to constitute the full Board for the ensuing year at six, three of whom are to be elected at the Annual Meeting for a term expiring at the 2006 annual meeting of stockholders, and three additional directors whose terms expire at the 2005 annual meeting of stockholders.

Edward B. Roberts, Thomas Gurnee, Mary Ma and Ya-Qin Zhang are in the class of directors whose term expires at the Annual Meeting. The Board has nominated Mr. Roberts, Mr. Gurnee and Ms. Ma for election to the class of directors whose term will expire in 2006. Ya-Qin Zhang will not stand for re-election at the Annual Meeting. Unless you indicate otherwise on your proxy, the proxies received will be voted in favor of the election of Mr. Roberts, Mr. Gurnee and Ms. Ma to serve as directors.

Although we expect that each of the nominees will be available for election, if a nominee is not a candidate at the time the election occurs, proxies will be voted for the election of a substitute nominee selected by the Board of Directors, unless the Board chooses to reduce the number of directors to the number of directors not up for election plus the number of nominees then available for election, in which case the proxies would be voted for the reduced number of nominees. The three nominees receiving a plurality of the votes cast by the stockholders represented at the Annual Meeting, in person or by proxy, will be elected as directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF EDWARD B. ROBERTS, THOMAS GURNEE AND MARY MA.

- (1) member of the audit committee
- (2) member of the compensation committee
- (3) member of the nominating committee
- (4) The Board of Directors has determined that these directors are independent as that term is defined under Rule 4200(a)(15) of the Nasdaq Stock Market Marketplace Rules.

GENERAL INFORMATION RELATING TO THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS

The Board of Directors held seven formal meetings in the fiscal year ended December 31, 2003 and acted by consent in lieu of meetings on nine occasions. No member of the Board of Directors attended less than 75% of the total number of meetings of the Board and committees thereof upon which he or she served during 2003 (during the periods in which they were directors or members of such committees), except that Ya-Qin Zhang only attended 50% (one of two) of the Board meetings held after he was appointed to the Board in September 2003.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors has an audit committee, a compensation committee and a nominating committee.

The members of the audit committee are George Chang, Thomas Gurnee, Charles Huang and Mary Ma. Mr. Chang has resigned from the audit committee effective upon the date of the 2004 Annual Meeting of Stockholders. The audit committee oversees the accounting and financial reporting processes of the company and the audits of the financial statements of the company. The audit committee held seven

meetings in 2003. The audit committee and the full Board of Directors have adopted a written charter for the audit committee. The audit committee appointed PricewaterhouseCoopers to serve as Sohu's auditors for the fiscal year ending December 31, 2004. The Board of Directors has determined that each of Thomas Gurnee and Mary Ma is an audit committee financial expert, as that term is defined in Item 401 of Regulation S-K. The full responsibilities of the audit committee are set forth in its charter, which is reviewed and updated annually and approved by the Board, and is attached hereto as Appendix A.

The compensation committee currently consists of Edward Roberts and Thomas Gurnee. The compensation committee held five meetings in 2003. The committee also acted through e-mail communications among its members, and made recommendations to the Board of Directors on four occasions in 2003. The compensation committee makes recommendations concerning salaries and incentive compensation, administers and approves stock option grants under Sohu's 2000 Stock Incentive Plan and otherwise determines compensation levels and performs such other functions regarding compensation as the Board may delegate to the compensation committee.

In April 2004, the Board of Directors established a nominating committee, consisting of Edward B. Roberts, Thomas Gurnee, Charles Huang, Mary Ma, and any other independent directors who may be elected to the Board from time to time, whose purpose will be to assist the Board in identifying individuals qualified to become directors under criteria approved by the Board, periodically review director compensation and benefits and recommend to the Board any improvements to Sohu's corporate governance guidelines as it deems appropriate, and assist the Board in assessment of director independence, board effectiveness, continuing education, new director orientation and determining committee membership. Sohu did not have a nominating committee of the Board of Directors or a committee performing similar functions in 2003 and the nominating committee did not assist with the selection of persons nominated by the Board for election at this year's Annual Meeting. The full responsibilities of the nominating committee are set forth in its charter, which will be reviewed and updated annually and approved by the Board and is attached hereto as Appendix B.

It will be a policy of the nominating committee that candidates for director be determined to have unquestionable integrity and honesty, the ability to exercise sound, mature and independent business judgment in the best interests of the stockholders as a whole, a background and experience in fields which will compliment the talents of the other Board members, the willingness and capability to take the time to actively participate in Board and committee meetings and related activities, the ability to work professionally and effectively with other Board members and Sohu management, the ability to remain on the Board long enough to make an effective contribution, and no material relationships with competitors or other third parties that could present realistic possibilities of conflict of interest or legal issues.

The nominating committee will consider the Board's current composition and Sohu's evolving needs, including expertise, diversity and balance of inside, outside and independent directors. In compiling its list of possible candidates and considering their qualification, the nominating committee will make its own inquiries, will solicit input from other directors, and may consult or engage other sources, such as a professional search firm, if it deems appropriate.

The nominating committee will consider director candidates recommended by stockholders provided the stockholders follow the procedures set forth below. The committee does not intend to alter the manner in which it evaluates candidates, including the criteria set forth above, based on whether the candidate was recommended by a stockholder or otherwise.

Stockholders who wish to recommend individuals for consideration by the nominating committee to become nominees for election to the Board of Directors at the 2005 Annual Meeting of Stockholders may

do so by submitting a written recommendation to the committee, care of Sohu, at 7 Jianguomen Nei Avenue, Suite 1519, Tower 2, Bright China Chang An Building, Beijing 100005, People's Republic of China, Attention: Caroline Straathof, in accordance with the procedures set forth below in this proxy statement under the heading "Deadline for Receipt of Stockholder Proposals." For nominees for election to the Board of Directors proposed by stockholders to be considered, the following information concerning each nominee must be timely submitted in accordance with the required procedures:

- o The candidate's name, age, business address, residence address, principal occupation or employment, the class and number of shares of Sohu's capital stock the candidate beneficially owns, a brief description of any direct or indirect relationships with Sohu, and the other information that would be required in a proxy statement soliciting proxies for the election of the candidate as a director;
- o A signed consent of the nominee to being named as a nominee, to cooperate with reasonable background checks and personal interviews and to serve as a director of Sohu, if elected; and
- o As to the stockholder proposing such nominee, that stockholder's name and address, the class and number of shares of Sohu's capital stock the stockholder beneficially owns, a description of all arrangements or understandings between the stockholder and the candidate and any other person or persons (including their names) pursuant to which the recommendation is being made, a list of all other companies that the stockholder has recommended the candidate to for election as a director in that fiscal year, and a representation that the stockholder intends to appear in person or by proxy at the meeting to nominate the person named in its notice.

AUDIT COMMITTEE REPORT

The audit committee oversees the accounting and financial reporting processes of the company and the audits of the financial statements of the company. The full responsibilities of the audit committee are set forth in its audit committee charter. The audit committee charter, which is reviewed and updated annually, was approved by the Board of Directors and is attached hereto as Appendix A.

The audit committee reviews the scope of the annual audit by Sohu's independent auditors and internal auditors, monitors Sohu's internal financial and accounting controls and procedures and appoints the independent auditors. In fulfilling its responsibilities, the audit committee:

- o discussed and considered the independence of PricewaterhouseCoopers, reviewing as necessary all relationships and services which might bear on PricewaterhouseCoopers's objectivity as outside auditor;
- o received written affirmation from PricewaterhouseCoopers that it is in fact independent;
- o discussed the overall audit process, receiving and reviewing all reports of PricewaterhouseCoopers;
- o involved PricewaterhouseCoopers in the audit committee's review of Sohu's financial statements and related reports with management;
- o provided to PricewaterhouseCoopers full access to the audit committee and the full Board of Directors to report on all appropriate matters; and
- o discussed with PricewaterhouseCoopers all matters required to be reviewed under generally accepted auditing standards.

The audit committee met with selected members of management and PricewaterhouseCoopers to review financial statements, including quarterly reports, discussing such matters as the quality of earnings; estimates, reserves and accruals; the suitability of accounting principles; financial reporting decisions; and audit adjustments.

The audit committee selected PricewaterhouseCoopers as Sohu's outside auditor. In addition, the audit committee considered the quality and adequacy of Sohu's internal controls and made recommendations to the full Board of Directors for enhancing such controls.

Based upon its work and the information received in the inquiries outlined above, the audit committee recommended to Sohu's Board of Directors that Sohu's audited financial statements be included in Sohu's Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

(1) The potential realizable value is based on the term of the option at the time of its grant, which is ten years for the stock options granted to the executive officers in the table. The assumed 5% and 10% annual rates of appreciation over the term of the options are set forth in accordance with rules and regulations adopted by the Securities and Exchange Commission and do not represent our estimates of stock price appreciation. The potential realizable value is calculated using \$29.91 per share as the base value on which appreciation has been calculated. Actual gains, if any, on stock option exercises are dependent upon a number of factors, including the future performance of the common stock and the timing of option exercises, as well as the optionee's continued employment through the vesting period. There can be no assurance that the amounts reflected in this table will be achieved.

(2) Options granted vest over a four-year period, with 25% of the options vesting on January 10, 2004 and the remaining options vesting ratably on a quarterly basis over the remaining term of the options.

EMPLOYMENT AND RELATED AGREEMENTS

The summaries of the various agreements set forth below are qualified in their entirety by reference to the full text of the agreements, which are or will be (i) exhibits to Sohu's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, in the case of the January 1, 2003 agreements with Charles Zhang and Derek Palaschuk, (ii) an exhibit to Sohu's Quarterly Report on Form 10-Q for the quarter ended March 31, 2003, in the case of the agreement with Victor Koo, (iii) an exhibit to Sohu's Annual Report on Form 10-K for the fiscal year ended December 31, 2003, in the case of the December 9, 2003 resignation agreement with Derek Palaschuk, (iv) an exhibit to Sohu's Quarterly Report on Form 10-Q for the quarter ended March 31, 2004, in the case of the March 8, 2004 resignation agreement with Derek Palaschuk, and (v) an exhibit to Sohu's Quarterly Report on Form 10-Q for the quarter ended March 31, 2004, in the case of the March 8, 2004 agreement with Carol Yu.

Effective as of January 1, 2003, Sohu entered into three-year employment agreements with each of Charles Zhang and Victor Koo. The employment agreements provide that Messrs. Zhang and Koo respectively receive base salaries of \$165,000 and \$150,000 per year. In addition, each of Messrs. Zhang and Koo has the opportunity to (i) earn incentive bonuses based upon certain performance criteria and other factors determined relevant by Sohu's Board of Directors, and (ii) receive stock options and other incentive awards. The employment agreements also provide for the following additional benefits for the named executives: vacation time and sick leave, health and medical insurance, life and disability insurance, housing allowances, reimbursement of tuition fees for the executives' children and tax equalization. In addition, Dr. Zhang receives a car allowance under his employment agreement.

The employment agreements provide for continued employment until termination by either party. Sohu may terminate any of the named executives' employment with or without cause at any time. However, if the termination is without cause, Sohu must provide the executive with 30 days' prior notice of termination. If Sohu terminates without cause or an executive terminates his employment for good reason (each as defined in the employment agreements), the executive will be entitled to the following:

- o The executive will continue to receive payments equal to the executive's monthly base salary in effect on the date of termination for the shorter of (i) six months and (ii) the remainder of the term of the executive's employment agreement;
- o Health insurance benefits will be provided at Sohu's expense for so long as Sohu is obligated to pay severance; and
- o Sohu will be obligated to continue to carry the executive on its directors and officers' insurance policy for six years following the date of termination at Sohu's expense, subject to certain limits on the costs of the premiums.

In addition, if Sohu terminates an executive's employment without cause and the termination is within the one-year period following a change in control of Sohu (as defined in the employment agreements), all of the executive's stock options and other stock awards will become immediately exercisable and any Sohu repurchase rights will immediately terminate.

Also, if Sohu terminates an executive's employment agreement without cause, if an executive terminates his employment agreement for good reason or if an executive dies or becomes disabled, the executive will be entitled to receive the bonus to which he would have been entitled had he continued to be employed through the end of the then current year.

Mr. Koo's employment agreement further provides that, if Sohu is to be liquidated and no provision is

made for his employment by a successor in interest, his stock options and other stock awards will become immediately exercisable ten days prior to the effective date of the liquidation.

If (i) Dr. Zhang fails to comply with (a) the terms of his employment agreement, (b) the agreement referred to below related to confidentiality, nonsolicitation, noncompetition and assignment of intellectual property, or (c) the written policies and procedures of Sohu, (ii) Dr. Zhang acts against the specific instructions of Sohu's Board of Directors, or (iii) Dr. Zhang's employment is terminated by Sohu for cause, he will forfeit all options and other stock awards, whether vested or not, and all shares of common stock of Sohu, if any, purchased by him pursuant to the exercise of stock options or other stock awards and still then owned by him may be repurchased by Sohu at the price paid by him. Mr. Koo's agreement has parallel conditions of forfeiture, but in Mr. Koo's case the forfeiture is limited to all unvested stock options and other stock awards.

In addition, if an executive violates the agreement referred to below related to confidentiality, nonsolicitation, noncompetition and assignment of intellectual property after the termination of his employment:

- o the executive will not be entitled to any further payments from Sohu;
- o any insurance or other benefits that have continued will terminate immediately;
- o in the case of Dr. Zhang, he will be required to reimburse all severance paid to him; and
- o in the case of Dr. Zhang, if he would not, in the absence of the violation, have been entitled to severance payments from Sohu equal to at least six months' base salary, he will pay to Sohu an amount equal to the difference between six months' base salary and the amount of severance pay required to be reimbursed to Sohu by him.

The employment agreements also require the executives to enter into agreements providing for (i) assignment of intellectual property, (ii) confidential treatment of Sohu's proprietary information and (iii) during the term of their employment and for the following year, (a) nonsolicitation of Sohu's employees, contractors, customers, suppliers and partners and (b) non-competition with Sohu.

Sohu also entered into an employment agreement effective as of January 1, 2003 with Derek Palaschuk, Sohu's former Chief Financial Officer, that was identical to the agreement with Dr. Zhang, except that Mr. Palaschuk's annual base salary was \$120,000 and the agreement did not entitle Mr. Palaschuk to a car allowance.

In order to provide for an orderly process for hiring and transitioning to a new Chief Financial Officer following Mr. Palaschuk's informing Sohu of his intention to resign, on December 9, 2003 Sohu entered into an agreement with Mr. Palaschuk providing that his January 1, 2003 employment agreement would terminate as of June 30, 2004, which would be the effective date of Mr. Palaschuk's resignation. This resignation agreement further modified the January 1, 2003 employment agreement in the following ways:

- o it modified the stock option and stock award provisions such that Mr. Palaschuk would be entitled to continued vesting and exercisability of his stock options and other stock awards until December 31, 2004 unless his employment was terminated by Sohu for "cause" or he terminated his employment without "good reason" (in each case as defined in the January 1, 2003 employment agreement) prior to June 30, 2004;
- o it modified the termination provisions so that, notwithstanding the fact that Mr. Palaschuk was resigning without good reason, he would be entitled to six-months' severance pay, six months of

continued health insurance benefits and continued coverage under Sohu's directors and officers insurance policy for six years, all as described in more detail above, provided he did not voluntarily terminate his employment without good reason prior to June 30, 2004; and

- o it specified that the provision of services by Mr. Palaschuk to a business that provided on-line games or on-line travel services, other than existing partners of Sohu and its affiliates, would not violate Mr. Palaschuk's non-compete obligation to Sohu.

Mr. Palaschuk's resignation agreement with Sohu was modified on March 8, 2004 in the light of Sohu's hiring of Carol Yu as its new Chief Financial Officer. Pursuant to the modification, Mr. Palaschuk resigned effective March 8, 2004, but agreed to continue to provide consulting services to Sohu at a rate of \$75 per hour until June 30, 2004 in order to assist with the smooth transition of Mr. Palaschuk's former duties as Chief Financial Officer to Ms. Yu, and Sohu agreed to provide Mr. Palaschuk with the continued vesting and severance specified in the December 9, 2003 agreement. The modification also specifies that the provision of services by Mr. Palaschuk to a business that operates a "vertical website" in single Internet areas such as auction, e-commerce, financial, real estate or wireless services will not violate Mr. Palaschuk's non-compete obligation.

On March 8, 2004, Sohu entered into an employment agreement with Carol Yu, Sohu's new Chief Financial Officer, that is identical to Dr. Zhang's employment agreement, except that:

- o Ms. Yu's annual base salary is \$186,000;
- o the agreement does not entitle Ms. Yu to a car allowance;
- o the agreement provides for a target bonus of 35%; and
- o the agreement entitles Ms. Yu to reimbursement of her moving expenses of up to \$60,000, which is required to be repaid on the following schedule: the entire amount is to be repaid if Ms. Yu leaves prior to the first anniversary of her employment; two-thirds is to be repaid if she leaves between the first anniversary and the second; and one-third is to be repaid if she leaves between the second anniversary and the third.

The following graph compares, for the period that Sohu's common stock has been registered under Section 12 of the Exchange Act (which commenced July 12, 2000), the cumulative total stockholder return for Sohu, the Nasdaq Stock Market (U.S. companies) Index (or the Nasdaq Market Index) and the MG Group Index for Internet Information Services (or MG Group Index). Measurement points are July 12, 2000 (the first trading day) and the last trading day of Sohu's fiscal years ended December 31, 2000, December 31, 2001, December 31, 2002 and December 31, 2003. The graph assumes that \$100 was invested on July 12, 2000 in the common stock of Sohu, the Nasdaq Market Index, and the MG Group Index, and assumes reinvestment of any dividends. COMPENSATION COMMITTEE REPORT

GENERAL COMPENSATION POLICY

The compensation committee believes that Sohu's compensation programs for executive officers should be designed to attract, motivate, and retain talented executives and should be determined within a competitive framework and based on the achievement of overall financial results and individual contributions. The compensation committee's objectives are to: (i) offer a total compensation program that strives to be competitive with comparable talent at comparable companies in China, with a particular focus on compensation disclosed publicly by Sina Corporation and Netease.com Inc., but also permits recruiting and retention of talented executives who might otherwise be employed by technology companies in the United States and (ii) align the financial interests of executive officers with those of the stockholders by providing significant equity-based incentive awards.

BASE SALARY

The base salary for each executive officer is set on the basis of the responsibilities of the position held, the experience and performance of the individual, and a review of comparable positions based on informal surveys of the industry in China as well as the United States, and compensation disclosed publicly by Sina Corporation and Netease.com Inc. Sohu generally targets executive compensation for its executive officers at the low end of the range of comparable companies such as Sina Corporation and Netease.com Inc. Sohu targets the compensation for Dr. Charles Zhang, Sohu's President and Chief Executive Officer, at a lower rate as compared to these companies, due to the fact that Dr. Zhang is a founder and significant shareholder of Sohu.

STOCK OPTIONS

Grants to executive officers under Sohu's 2000 Stock Incentive Plan allow the officers to acquire shares of Sohu's common stock at the market price on the grant date over a specified period of time. Each option typically vests in periodic installments from one to four years as specified in the option agreement applicable to each executive. Generally, stock options are granted when an executive joins Sohu. Additional options are generally granted on the basis of the individual's performance, potential for future responsibility and the number of unvested options held by the individual at the time of the new grant. The grants are designed to align the interests of executive officers with stockholders and to provide each executive officer with a significant incentive to manage Sohu.

OTHER ELEMENTS OF EXECUTIVE COMPENSATION

Compensation paid to Sohu's executive officers also generally includes bonuses, the provision of housing and tax equalization. Bonus amounts paid to Charles Zhang for 2003 were determined based upon the achievement of fiscal 2003 financial targets, as further discussed below. Bonus amounts paid to Sohu's other executive officers for 2003 were based (i) between 50% and 80% on the achievement of 2003 financial targets and (ii) between 20% and 50% on other factors, including an evaluation of the executive's overall qualitative performance.

CHIEF EXECUTIVE OFFICER COMPENSATION

The annual base salary for Dr. Zhang, Sohu's founder, President and Chief Executive Officer, which is currently set by his employment agreement at \$165,000 per annum, was determined by the compensation

committee and approved by the Board of Directors. Prior to December 31, 1999, Dr. Zhang, earned \$50,000 per annum in salary. In consideration of the significant growth and scale of Sohu's operations under the leadership of Dr. Zhang, effective January 1, 2000, his salary was increased to \$100,000 per annum and Sohu provided to Dr. Zhang a housing allowance and tax equalization at a rate of 15% of his salary. On March 1, 2001, Dr. Zhang's salary was increased to \$150,000 to bring his salary closer to those other senior executives of companies comparable to Sohu, including Sina Corporation and Netease.com Inc. Dr. Zhang's base salary was \$150,000 in 2002 as well. In addition to his base salary of \$165,000, Dr. Zhang earned bonus payments totaling \$78,210 in 2003. Bonus amounts paid to Charles Zhang for 2003 were determined based upon the achievement of fiscal 2003 financial targets. The original targeted bonus percentage for achieving 2003 financial targets, as updated each quarter, was forty percent of Dr. Zhang's annual base salary. As the fiscal 2003 financial targets as updated each quarter were exceeded, the actual bonus paid of \$78,210 represented forty-seven percent of the 2003 base salary. The additional seven percent was based on the percentage by which the 2003 financial targets were exceeded.

Dr. Zhang was also granted options to purchase 100,000 shares of common stock in January 2003. These options have an exercise price of \$8.39 per share and options for 31,250 of these shares are currently exercisable. In granting these options, Sohu's Board considered Dr. Zhang's relatively low salary as compared to chief executive officers of comparable companies such as Sina Corporation and Netease.com Inc. The Board also sought effectively to renew and continue Dr. Zhang's equity incentive into future years, in view of the fact that a comparable number of his options had become vested.

In 2003 Dr. Zhang also received a housing allowance of \$36,000, tax equalization of \$56,705, \$6,500 for professional fees for his personal tax returns, a car allowance of \$1,440 and payments for health, travel and disability insurance of \$3,874.

Beijing Sohu is 80% owned by Charles Zhang, Sohu's President and Chief Executive Officer, and 20% owned by He Jinmei, an employee of Beijing ITC, both of whom are PRC nationals. Dr. Zhang is also a Director of Beijing Sohu.

Beijing Century High-Tech Co., Ltd., or High Century, is owned 80% by Charles Zhang and 20% by Li Wei, an employee of the Company and a PRC national. In April 2002, High Century invested \$3,080,000 in Sohu-Guolian Information Technology Co., Ltd., or Sohu-Guolian, a company incorporated in the PRC, for a 51% equity interest in and joint control of Sohu-Guolian. In December 2003, Sohu-Guolian was liquidated.

Beijing Hengda Yitong Internet Technology Development Co., Ltd., or Hengda, is owned 80% by High Century and 20% by Li Wei. Hengda has obtained the approval from the Minister of Information Industry for providing Internet access services in Beijing, Shanghai, and Guangzhou, China.

Beijing Sohu Internet Service Co. Ltd., or Sohu Internet, established in the third quarter of fiscal 2003, is owned 80% by High Century and 20% by He Jinmei.

Because of PRC regulations which prohibit foreign companies from operating in the telecommunications industry, Beijing Sohu (in 2002 and 2003) and Sohu Internet (in 2003) contracted with mobile network operators on behalf of Sohu for e-subscription revenues of \$44,035,000 and \$10,132,000 during the years ended December 31, 2003 and 2002, respectively. Beijing Sohu also generated e-commerce sales of \$3,787,000 and \$4,201,000 during the years ended December 31, 2003 and 2002, respectively. Hengda commencing in the first quarter of 2003 contracted with a fixed line telephone network operator for e-subscription revenues of \$1,070,000 for Internet access services during the year ended December 31, 2003. For the six months ended December 31, 2003, these revenues were consolidated under FIN 46. For the six months ended June 30, 2003, these revenues were included as related party revenues.

LOAN AGREEMENTS

At December 31, 2003, Sohu had made long term loans of \$5.2 million to Dr. Zhang, He Jinmei and Li Wei for purposes of funding Sohu's investments in High Century, Hengda, Beijing Sohu and Sohu Internet. No such loans were made to Dr. Zhang after the enactment of the Sarbanes-Oxley Act of 2002. Sohu uses long term loans to these parties for funding Sohu's investments in High Century, Hengda, Beijing Sohu and Sohu Internet because, as discussed above, PRC regulations prohibit or restrict foreign companies such as Sohu from owning or operating telecommunications, Internet content and certain other businesses in China. The long term loans include provisions which provide that (i) the loans can only be repaid to Sohu by transferring the shares of High Century, Hengda, Beijing Sohu and Sohu Internet to Sohu, (ii) the shares of High Century, Hengda, Beijing Sohu and Sohu Internet cannot be transferred without the approval of Sohu, (iii) Sohu has the right to appoint all directors and senior management personnel of High Century, Hengda, Beijing Sohu and Sohu Internet, (iv) the High Century, Hengda, Beijing Sohu and Sohu Internet shares have been pledged as collateral for the loans, and (v) the loans bear no interest and are due on demand after November 2003 in the case of High Century, after January 2003 in case of Hengda, the earlier of a demand or 2010, in the case of Beijing Sohu, and after June 2004 in the case of Sohu Internet, unless a borrower ceases to be an employee of Sohu, in which case the applicable loan is immediately repayable.

Beijing ITC and Beijing Sohu have also entered into the following agreements:

COOPERATION AGREEMENT

Under this agreement, Beijing Sohu agreed to provide Internet information services to Beijing ITC for a service fee of \$145,000. The parties intend that the fee be an amount necessary to reimburse Beijing Sohu for all its costs and expenses incurred in conducting its content operations under the cooperation agreement. In order to allow Beijing Sohu to provide the services, Beijing ITC has granted to Beijing Sohu and will assist Beijing Sohu in obtaining from Sohu licenses for a fixed monthly fee. Beijing ITC has agreed that it will provide technical services to Beijing Sohu in order to support Beijing Sohu's operations and services.

ASSETS AND BUSINESS RESTRUCTURING AGREEMENT

Under this agreement, Beijing ITC agreed to transfer all ten of its content-related servers and related equipment to Beijing Sohu for \$89,000 and assign up to 25 of its content editors and supervisors to Beijing Sohu. In return, Beijing Sohu agreed to use the content-related servers and related equipment solely for the purpose of providing information services to the www.sohu.com Web site and to be responsible for the compensation, welfare and employment of the content editors and supervisors assigned to Beijing Sohu.

OPTION AGREEMENT

Beijing ITC entered into an exclusive 20 year option agreement with the stockholders of Beijing Sohu, Dr. Charles Zhang and Ms. Jinmei He. Under this agreement, Beijing ITC or a third party designated by Beijing ITC will have the right, at any time, subject to the laws of the PRC, including any applicable restrictions on foreign investment, to purchase from Dr. Zhang and Ms. He at an aggregate price of \$242,000, their entire ownership interest in Beijing Sohu. In the event Beijing ITC or its designee purchases shares of Beijing Sohu pursuant to the option agreement, the net proceeds to Dr. Zhang and Ms. He from the sale of shares will be applied towards partial repayment of the loans described above.

(D) TRANSACTIONS WITH LEGEND GROUP LIMITED

In fiscal 2003, Legend Group Limited purchased advertising services totaling approximately \$347,000 from Sohu. Mary Ma, one of our Directors, is the Executive Director, Vice President and Chief Financial Officer of Legend Group Limited.

(E) TRANSACTIONS WITH NETBIG

Sohu is in the process of entering into a transaction with Netbig Education Holdings Ltd., pursuant to which Netbig would purchase advertising services totaling approximately \$125,000 from Sohu. Charles Huang, one of our Directors, is the Founder, Chief Executive Officer and Chairman of Netbig.

PROPOSAL II. AMENDMENT OF STOCK INCENTIVE PLAN

In April 2004, the Board of Directors adopted an amendment to Sohu's 2000 Stock Incentive Plan to increase the number of shares of common stock covered by the Stock Incentive Plan to an aggregate of 8,000,000 shares. The Amended Stock Incentive Plan is attached hereto as APPENDIX C. The following is a summary of the material provisions of the Stock Incentive Plan, which is qualified by the full Stock Incentive Plan attached as APPENDIX C.

The Board of Directors adopted the Stock Incentive Plan in January 2000 to assist Sohu in attracting and retaining qualified persons to serve as employees, officers, directors, consultants and advisors who will contribute to Sohu's success and the success of the members of its network. Sohu also seeks to motivate those people to achieve long-term objectives which will benefit Sohu's stockholders. Employees, officers, directors, consultants and advisors of Sohu and its subsidiaries are eligible to receive options under the Stock Incentive Plan. The Stock Incentive Plan was approved by Sohu's stockholders on July 5, 2000. On May 17, 2001, the stockholders approved an amendment to the Stock Incentive Plan whereby the number of shares of common stock covered by the plan was increased from 2,340,000 to 7,000,000.

The compensation committee administers the Stock Incentive Plan and has wide discretion to award options, subject to the limitations set forth below. Subject to the provisions of the Stock Incentive Plan, the compensation committee determines who will be granted options, the type and timing of options to be granted, vesting schedules and other terms and conditions of options, including the exercise price, except that such determinations are required to be made by the full Board of Directors with respect to grants of options to executive officers, members of the Board of Directors and non-employees. A significant number of Sohu's employees are granted options. The number of options awarded to a person is based on the person's potential ability to contribute to Sohu's success, the person's position with Sohu and, to some degree, length of service.

The Board of Directors may award "incentive" stock options or "non-qualified" stock options. Sohu has granted both incentive and non-qualified stock options under the Stock Incentive Plan. If the holder of an incentive stock option exercises the option and holds the shares of common stock he or she receives for the holding periods required by the Internal Revenue Code of 1986 as amended, or the Code, the exercise of the incentive stock option does not cause taxable income to be recognized by the holder (although it may result in liability for payment of alternative minimum tax). Sohu is therefore not entitled to a corresponding tax deduction. The incentive stock options granted under the Stock Incentive Plan are designed to meet the requirements of the Code, which include but are not limited to a requirement that the exercise price be at least 100% of the fair market value of Sohu's common stock on the date the option is granted and that the option have a term no longer than ten years. No person who owns, directly or indirectly, more than 10% of the total combined voting power of Sohu's common stock may receive incentive stock options unless the exercise price is at least 110% of the fair market value of Sohu's common stock on the grant date and the term is no longer than five years. Options granted under the Stock Incentive Plan are not transferable by the optionee, other than by will or by the laws of descent and distribution.

By contrast, if the holder of a non-qualified stock option exercises the option, the holder will be required to recognize taxable income on the date of exercise equal to the difference between the fair market value of the shares acquired by exercising the option and the exercise price of the option. Sohu will be entitled to withhold tax and is entitled to a corresponding tax deduction.

As of February 29, 2004, options to purchase 4,622,045 shares of common stock were outstanding under the Stock Incentive Plan and 512,189 shares remained available for future option grants. The weighted average exercise price for these outstanding options is \$5.44 per share. Most of these outstanding options become exercisable on a schedule at least as rapid as the following:

- o with respect to 25% of the shares subject to the option, on the first anniversary of the date of grant; and
- o with respect to the remaining 75% of the shares subject to the option, in twelve equal quarterly installments beginning one calendar quarter after the date of such anniversary.

Incentive stock options terminate upon the first to occur of (i) three months after termination of an option holder's employment for any reason other than death or disability, 180 days after an option holder's death and one year after termination of an option holder's employment because of disability and (ii) ten years after the grant date (five years after the grant date in the case of a holder of more than 10% of the total combined voting power of Sohu's common stock). Nonqualified options terminate upon the date specified in the agreement granting the option.

Subject to limitations set forth in the Stock Incentive Plan, the provisions of the Code applicable to incentive stock options and Nasdaq rules, the Board may terminate or amend the Stock Incentive Plan in any respect at any time.

Sohu has filed with the Securities and Exchange Commission a Registration Statement on Form S-8 covering the shares of common stock underlying options granted under the Stock Incentive Plan and, assuming approval by Sohu's stockholders of the proposed increase, intends to file a Registration Statement on Form S-8 to cover the increased amount of shares available under the plan.

On March 15, 2004, the last reported sales price for our common stock on the Nasdaq National Market was \$23.56 per share.

The Board of Directors believes it is in the interest of Sohu and its stockholders to adopt the proposed amendment to the Stock Incentive Plan. The Board believes the increase in shares available for issuance under the Stock Incentive Plan will assist Sohu to continue to attract and retain key personnel and to strengthen the identity of such persons' interests with the interests of Sohu's stockholders. A majority of the votes cast by the stockholders represented at the meeting, in person or by proxy, is required to approve this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE AMENDMENT OF THE STOCK INCENTIVE PLAN.

(as amended)

1. PURPOSE. This 2000 Stock Incentive Plan (the "Plan") is intended to provide incentives: (a) to the officers and other employees of Sohu.com Inc., a Delaware corporation (the "Company"), and any present or future parent or subsidiaries of the Company (collectively, "Related Corporations") by providing them with opportunities to purchase stock in the Company pursuant to options granted hereunder which qualify as "incentive stock options" under Section 422(b) of the Internal Revenue Code of 1986, as amended (the "Code") ("ISO" or "ISOs"), and (b) to directors, officers, employees, consultants and advisors of the Company and Related Corporations by providing them with opportunities to purchase stock in the Company pursuant to options granted hereunder which do not qualify as ISOs ("Non-Qualified Option" or "Non-Qualified Options"). Both ISOs and Non-Qualified Options are referred to hereafter individually as an "Option" or a "Stock Right" and collectively as "Options" or "Stock Rights." As used herein, the terms "parent" and "subsidiary" mean "parent corporation" and "subsidiary corporation," respectively, as those terms are defined in Section 424 of the Code.

2. ADMINISTRATION OF THE PLAN.

A. BOARD OR COMMITTEE ADMINISTRATION. The Plan shall be administered by the Board of Directors of the Company (the "Board"). The Board may appoint a Compensation Committee (as the case may be, the "Committee") of two (2) or more of its members to administer the Plan and to grant Stock Rights hereunder, provided such Committee is delegated such powers in accordance with applicable state law. (All references in this Plan to the "Committee" shall mean the Board if no such Compensation Committee has been so appointed). If the Company registers any class of any equity security pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Plan shall be administered in accordance with the applicable rules set forth in Rule 16b-3 or any successor provisions of the Exchange Act or the rules under the Exchange Act or any such successor provision ("Rule 16b-3"). Each member of the Committee shall also be an "outside director" within the meaning of Section 162(m) of the Code and the regulations promulgated thereunder.

B. AUTHORITY OF BOARD OR COMMITTEE. Subject to the terms of the Plan, the Committee shall have the authority to: (i) determine the employees of the Company and Related Corporations (from among the class of employees eligible under paragraph 3 to receive ISOs) to whom ISOs may be granted, and to determine (from among the class of individuals and entities eligible under paragraph 3 to receive Non-Qualified Options) to whom Non-Qualified Options may be granted; (ii) determine the time or times at which Options may be granted; (iii) determine the exercise price of shares subject to each Option, which price shall not be less than the minimum price specified in paragraph 6; (iv) determine whether each Option granted shall be an ISO or a Non-Qualified Option; (v) determine (subject to paragraph 7) the time or times when each Option shall become

exercisable and the duration of the exercise period; (vi) determine whether restrictions such as repurchase options are to be imposed on shares subject to Options and the nature of any such restrictions; (vii) impose such other terms and conditions with respect to Stock Rights not inconsistent with the terms of this Plan as it deems necessary or desirable; and (viii) interpret the Plan and prescribe and rescind rules and regulations relating to it.

If the Committee decides to issue a Non-Qualified Option, the Committee shall take whatever actions it deems necessary, under the Code and the regulations promulgated thereunder, to ensure that such Option is not treated as an ISO. The interpretation and construction by the Committee of any provisions of the Plan or of any Stock Right granted under it shall be final unless otherwise determined by the Board. The Committee may from time to time adopt such rules and regulations for carrying out the Plan as it may deem best. No member of the Board or the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Stock Right granted under it.

C. COMMITTEE ACTIONS. The Committee may select one of its members as its chairman and shall hold meetings at such time and places as it may determine. Acts by a majority of the Committee, acting at a meeting (whether held in person or by teleconference), or acts reduced to or approved in writing by all of the members of the Committee, shall be the valid acts of the Committee. From time to time the Board may increase the size of the Committee and appoint additional members thereof, remove members (with or without cause) and appoint new members in substitution therefor, fill vacancies however caused, or remove all members of the Committee and thereafter directly administer the Plan, subject to compliance with paragraph 2A.

D. GRANT OF STOCK RIGHTS TO BOARD MEMBERS. Stock Rights may be granted to members of the Board, subject to compliance with Rule 16b-3 when required by paragraph 2A. All grants of Stock Rights to members of the Board shall be made in all respects in accordance with the provisions of this Plan applicable to other eligible persons.

3. ELIGIBLE EMPLOYEES AND OTHERS. ISOs may be granted to any employee of the Company or any Related Corporation. Those officers and directors of the Company who are not employees may not be granted ISOs under the Plan. Non-Qualified Options may be granted to any employee, officer or director (whether or not also an employee) or consultant or advisor of the Company or any Related Corporation. The Committee may take into consideration a recipient's individual circumstances in determining whether to grant a Stock Right. Granting a Stock Right to any individual or entity shall neither entitle that individual or entity to, nor disqualify him from, participation in any other grant of Stock Rights.

4. COMMON STOCK. The stock subject to Stock Rights shall be authorized but unissued shares of Common Stock of the Company, \$.001 par value (the "Common Stock"), or shares of Common Stock reacquired by the Company in any manner. The aggregate number of shares which may be issued pursuant to the Plan is 8,000,000 minus

that number of shares which are the subject of option grants made, or were purchased pursuant to the exercise of options that were granted, to employees, officers directors, or consultants of the Company or Related Corporations prior to the date of the adoption of this plan by the Company's Board of Directors, subject to adjustment as provided in paragraph 13. Any such shares may be issued pursuant to the exercise of ISOs or Non-Qualified Options so long as the aggregate number of shares so issued does not exceed such number, as adjusted. If any Stock Right granted under the Plan shall expire or terminate for any reason without having been exercised in full or shall cease for any reason to be exercisable in whole or in part, then the unpurchased shares subject to such Stock Right shall again be available for grants of Stock Rights under the Plan.

5. GRANTING OF STOCK RIGHTS. Stock Rights may be granted under the Plan at any time after January 24, 2000 and prior to January 24, 2010. The date of grant of a Stock Right under the Plan will be the date specified by the Committee at the time it grants the Stock Right; provided, however, that such date shall not be prior to the date on which the Committee acts to approve the grant. The Committee shall have the right, with the consent of the optionee, to convert an ISO granted under the Plan to a Non-Qualified Option pursuant to paragraph 17.

6. MINIMUM OPTION PRICE; ISO LIMITATIONS.

A. PRICE FOR ISOS. The exercise price per share specified in the agreement relating to each ISO granted under the Plan shall not be less than the fair market value per share of Common Stock on the date of such grant. In the case of an ISO to be granted to an employee owning stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Related Corporation, the price per share specified in the agreement relating to such ISO shall not be less than one hundred ten percent (110%) of the fair market value per share of Common Stock on the date of grant.

B. \$100,000 ANNUAL LIMITATION ON ISOS. Each eligible employee may be granted ISOs only to the extent that, in the aggregate under this Plan and all other incentive stock option plans of the Company and any Related Corporation, such ISOs do not become exercisable for the first time by such employee during any calendar year in a manner which would entitle the employee to purchase more than \$100,000 in fair market value (determined at the time the ISOs were granted) of Common Stock in that year. Any Options granted to an employee in excess of such amount will be granted as Non-Qualified Options.

C. DETERMINATION OF FAIR MARKET VALUE. If, at the time an Option is granted under the Plan, the Company's Common Stock is publicly traded, "fair market value" shall be determined as of the last business day for which the prices or quotes discussed in this sentence are available prior to the date such Option is granted and shall mean (i) the average (on that date) of the high and low prices of the Common Stock on the principal national securities exchange on which the Common Stock is traded, if the Common Stock is then traded on a national securities exchange, or on the Nasdaq National Market or the Nasdaq Small Cap Market, if the Common Stock is not then traded on a national

securities exchange; or (ii) the average of the low bid and high ask prices as quoted on that date by an established quotation service for over-the-counter securities, if the Common Stock is not then traded on a national securities exchange or the Nasdaq National Market or the Nasdaq Small Cap Market. If the Common Stock is not publicly traded at the time an Option is granted under the Plan, "fair market value" shall be deemed to be the fair value of the Common Stock as determined by the Committee after taking into consideration all factors in good faith it deems appropriate, including, without limitation, recent sale and offer prices of the Common Stock in private transactions negotiated at arm's length, if any.

7. OPTION DURATION. Subject to earlier termination as provided in paragraphs 9, 10, and 13B, each Option shall expire on the date specified by the Committee and set forth in the original stock option agreement granting such Option, provided that ISOs shall in any event expire not more than ten years from the date of grant, and ISOs granted to an employee owning stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Related Corporation shall expire not more than five years from the date of grant. Non-Qualified Options shall expire on the date specified in the agreement granting such Non-Qualified Options, subject to extension as determined by the Committee. ISOs, or any part thereof, that have been converted into Non-Qualified Options may be extended as provided in paragraph 17.

8. EXERCISE OF OPTION. Subject to the provisions of paragraphs 9 through 13, each Option granted under the Plan shall be exercisable as follows:

A. VESTING. Unless otherwise specified by the Committee or the Board of Directors and subject to paragraphs 9 and 10 with respect to ISO's, Options granted to employees shall vest on a schedule at least as rapid as the following: (a) as to 25% of the shares subject to the Option, on the first anniversary of the date of grant of the Option; and (b) as to the remaining 75% of the shares subject to the Option, in 12 equal quarterly installments beginning one calendar quarter after the date of such anniversary. The Committee may also specify such other conditions precedent as it deems appropriate to the exercise of an Option.

B. FULL VESTING OF INSTALLMENTS. Once an installment becomes exercisable it shall remain exercisable until expiration or termination of the Option, unless otherwise specified by the Committee.

C. PARTIAL EXERCISE. Each Option or installment may be exercised at any time or from time to time, in whole or in part, for up to the total number of shares with respect to which it is then exercisable, provided that the Committee may specify a certain minimum number or percentage of the shares issuable upon exercise of any Option that must be purchased upon any exercise.

D. ACCELERATION OF VESTING. The Committee shall have the right to accelerate the date of exercise of any installment of any Option, despite the fact that such acceleration

may cause the application of Sections 280G and 4999 of the Code if an Acquisition, as defined below in paragraph 13B, occurs.

9. TERMINATION OF EMPLOYMENT. If an ISO optionee ceases to be employed by the Company and all Related Corporations other than by reason of death or disability as defined in paragraph 10, no further installments of his ISOs shall become exercisable following the date of such cessation of employment, and his ISOs shall terminate after the passage of three (3) months from the date of termination of his employment, but in no event later than on their specified expiration dates, except to the extent that such ISOs (or unexercised installments thereof) have been converted into Non-Qualified Options pursuant to paragraph 17. Nothing in the Plan shall be deemed to give any grantee of any Stock Right the right to be retained in employment or other service by the Company or any Related Corporation for any period of time.

The Board or Committee may establish such provisions in particular Stock Right grant agreements as it may deem appropriate with respect to the treatment of Stock Rights other than ISOs upon the termination of the employment of the holder of the Stock Right.

10. DEATH; DISABILITY.

A. DEATH. If an ISO optionee ceases to be employed by the Company and all Related Corporations by reason of his death, any ISO of his may be exercised, to the extent of the number of shares with respect to which he could have exercised it on the date of his death, by his estate, personal representative or beneficiary who has acquired the ISO by will or by the laws of descent and distribution, at any time prior to the earlier of the specified expiration date of the ISO or one hundred and eighty (180) days from the date of such optionee's death.

B. DISABILITY. If an ISO optionee ceases to be employed by the Company and all Related Corporations by reason of his disability, he or, in the event of his death, his estate, personal representative or beneficiary who has acquired the ISO by will or by the laws of descent and distribution, shall have the right to exercise any ISO held by him on the date of termination of employment, to the extent of the number of shares with respect to which he could have exercised it on that date, at any time prior to the earlier of the specified expiration date of the ISO or one (1) year from the date of the termination of the optionee's employment. For the purposes of the Plan, the term "disability" shall mean "permanent and total disability" as defined in Section 22(e)(3) of the Code or successor statute.

11. ASSIGNABILITY. No ISO, and unless specified in the agreement or instrument pursuant to which the Option is granted, no Non-Qualified Option shall be assignable or transferable by the optionee except by will or by the laws of descent and distribution, and during the lifetime of the grantee each Stock Right shall be exercisable only by him or her. No Stock Right, and no right to exercise any portion thereof, shall be subject to execution, attachment, or similar process, assignment, or any other alienation or hypothecation. Upon any attempt so to transfer, assign, pledge, hypothecate, or otherwise dispose of any Stock Right, or of any right or privilege conferred thereby, contrary to the

provisions thereof or hereof or upon the levy of any attachment or similar process upon any Stock Right, right or privilege, such Stock Right and such rights and privileges shall immediately become null and void.

12. TERMS AND CONDITIONS OF STOCK RIGHTS. Stock Rights shall be evidenced by instruments (which need not be identical) in such forms as the Committee may from time to time approve. Such instruments shall conform to the terms and conditions set forth in paragraphs 6 through 11 hereof to the extent applicable and may contain such other provisions as the Committee deems advisable which are not inconsistent with the Plan. Without limiting the foregoing, such provisions may include transfer restrictions, rights of refusal, vesting provisions, repurchase rights and drag-along rights with respect to shares of Common Stock issuable upon exercise of Stock Rights, and such other restrictions applicable to shares of Common Stock issuable upon exercise of Stock Rights as the Committee may deem appropriate. In granting any Non-Qualified Option, the Committee may specify that such Non-Qualified Option shall be subject to the restrictions set forth herein with respect to ISOs, or to such other termination, cancellation or other provisions as the Committee may determine. The Committee may from time to time confer authority and responsibility on one or more of its own members and/or one or more officers of the Company to execute and deliver such instruments. The proper officers of the Company are authorized and directed to take any and all action necessary or advisable from time to time to carry out the terms of such instruments.

13. ADJUSTMENTS. Upon the occurrence of any of the following events, an optionee's rights with respect to Options granted to him hereunder shall be adjusted as hereinafter provided, unless otherwise specifically provided in the written agreement between the optionee and the Company relating to such Option:

A. STOCK DIVIDENDS AND STOCK SPLITS. If the shares of Common Stock shall be subdivided or combined into a greater or smaller number of shares or if the Company shall issue any shares of Common Stock as a stock dividend on its outstanding Common Stock, the number of shares of Common Stock deliverable upon the exercise of Options shall be appropriately increased or decreased proportionately, and appropriate adjustments shall be made in the purchase price per share to reflect such subdivision, combination or stock dividend.

B. CONSOLIDATIONS, MERGERS OR SALES OF ASSETS OR STOCK. If the Company is to be consolidated with or acquired by another person or entity in a merger, sale of all or substantially all of the Company's assets or stock or otherwise (an "Acquisition"), the Committee or the board of directors of any entity assuming the obligations of the Company hereunder (the "Successor Board") shall, with respect to outstanding Options or shares acquired upon exercise of any Option, take one or more of the following actions: (i) make appropriate provision for the continuation of such options by substituting on an equitable basis for the shares then subject to such Options the consideration payable with respect to the outstanding shares of Common Stock in connection with the Acquisition; (ii) accelerate the date of exercise of such Options or of any installment of any such Options; (iii) upon written notice to the optionees, provide that all Options must be

exercised, to the extent then exercisable, within a specified number of days of the date of such notice, at the end of which period the Options, including those which are not then exercisable, shall terminate; (iv) terminate all Options in exchange for a cash payment equal to the excess of the fair market value of the shares subject to such Options (to the extent then exercisable) over the exercise price thereof; or (v) in the event of a stock sale, require that the optionee sell to the purchaser to whom such stock sale is to be made, all shares previously issued to such optionee upon exercise of any Option, at a price equal to the portion of the net consideration from such sale which is attributable to such shares. Nothing contained herein will be deemed to require the Company to take, or refrain from taking, any one or more of the foregoing actions.

C. RECAPITALIZATION OR REORGANIZATION. In the event of a recapitalization or reorganization of the Company (other than a transaction described in subparagraph B above) pursuant to which securities of the Company or of another corporation are issued with respect to the outstanding shares of Common Stock, an optionee upon exercising an Option shall be entitled to receive for the purchase price paid upon such exercise the securities he would have received if he had exercised his Option prior to such recapitalization or reorganization and had been the owner of the Common Stock receivable upon such exercise at such time.

D. MODIFICATION OF ISOS. Notwithstanding the foregoing, any adjustments made pursuant to the foregoing subparagraphs A, B or C with respect to ISOs shall be made only after the Committee, after consulting with counsel for the Company, determines whether such adjustments would constitute a "modification" of such ISOs (as that term is defined in Section 424 of the Code or any successor thereto) or would cause any adverse tax consequences for the holders of such ISOs. If the Committee determines that such adjustments made with respect to ISOs would constitute a modification of such ISOs, it may refrain from making such adjustments.

E. ISSUANCES OF SECURITIES AND NON-STOCK DIVIDENDS. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares subject to Options. No adjustments shall be made for dividends paid in cash or in property other than securities of the Company (and, in the case of securities of the Company, such adjustments shall be made pursuant to the foregoing subparagraph A).

F. FRACTIONAL SHARES. No fractional shares shall be issued under the Plan, and the optionee shall receive from the Company cash in lieu of such fractional shares.

G. ADJUSTMENTS. Upon the happening of any of the foregoing events described in subparagraphs A, B or C above, the class and aggregate number of shares set forth in paragraph 4 hereof that are subject to Stock Rights which previously have been or subsequently may be granted under the Plan shall also be appropriately adjusted to reflect the events described in such subparagraphs. The Committee or the Successor Board, as applicable, shall determine the specific adjustments to be made under this paragraph 13 and its determination shall be conclusive.

If any person or entity owning Common Stock obtained by exercise of a Stock Right made hereunder receives shares or securities or cash in connection with a corporate transaction described in subparagraphs A, B or C above as a result of owning such Common Stock, except as otherwise provided in subparagraph B, such shares or securities or cash shall be subject to all of the conditions and restrictions applicable to the Common Stock with respect to which such shares or securities or cash were issued, unless otherwise determined by the Committee or the Board of Directors of the Surviving Entity.

14. MEANS OF EXERCISING STOCK RIGHTS. A Stock Right (or any part or installment thereof) shall be exercised by the holder thereof giving written notice to the Company at its principal office address. Such notice shall identify the Stock Right being exercised and specify the number of shares as to which such Stock Right is being exercised, accompanied by full payment of the purchase price therefor either (a) in United States dollars in cash or by check, or (b) at the discretion of the Committee, delivery of an irrevocable and unconditional undertaking, satisfactory in form and substance to the Company, by a creditworthy broker to deliver promptly to the Company sufficient funds to pay the exercise price, or delivery to the Company of a copy of irrevocable and unconditional instructions, satisfactory in form and substance to the Company, to a creditworthy broker to deliver promptly to the Company cash or a check sufficient to pay the exercise price, or (c) at the discretion of the Committee, through delivery of shares of Common Stock having a fair market value equal as of the date of the exercise to the cash exercise price of the Stock Right, or (d) at the discretion of the Committee, by delivery of the grantee's personal recourse note bearing interest payable not less than annually at no less than 100% of the applicable Federal rate, as defined in Section 1274(d) of the Code, or (e) at the discretion of the Committee, by any combination of (a), (b) (c) and (d) above.

15. TERM AND AMENDMENT OF PLAN. This Plan was originally adopted by the Board on January 24, 2000 and approved by the stockholders of the Company on July 5, 2000. The Plan was amended by the Directors of the Company on January 15, 2001 and in March 2001, and the amendments were approved by the stockholders of the Company on May 17, 2001. The Plan was amended again by the Directors of the Company on March 25, 2003 and in April 2004. The Plan shall expire on that date which is ten years from the date of its original adoption by the Board (except as to Options outstanding on the expiration date). Options may be granted under the Plan prior to the date of stockholder approval of the Plan.

The Board may terminate or amend the Plan in any respect at any time, except that, without the approval of the stockholders obtained within 12 months before or after the Board adopts a resolution authorizing any of the following actions: (a) the total number of shares that may be issued under the Plan may not be increased (except by adjustment pursuant to paragraph 13); (b) the provisions of paragraph 3 regarding eligibility for grants of ISOs may not be modified; (c) the provisions of paragraph 6(B) regarding the exercise price at which shares may be offered pursuant to ISOs may not be modified (except by adjustment pursuant to paragraph 13); and (d) the expiration date of the Plan may not be extended.

16. SECTION 162(m). Notwithstanding anything herein to the contrary, no Stock Right shall become exercisable, vested or realizable if such Stock Right is granted to an employee that is a "covered employee" as defined in Section 162(m) of the Code and the Committee has determined that such Stock Right should be structured so that it is not "applicable employee remuneration" under such Section 162(m) unless and until the terms of this Plan, including any amendment hereto, have been approved by the Company's stockholders in the manner and to the extent required under such Section 162(m).

17. AMENDMENT OF STOCK RIGHTS. The Board or Committee may amend, modify or terminate any outstanding Stock Rights including, but not limited to, substituting therefor another Stock Right of the same or a different type, changing the date of exercise or realization, and converting an ISO to a Non-Qualified Option; provided that, except as otherwise provided in paragraphs 9, 10, and 15, the grantee's consent to such action shall be required unless the Board or Committee determines that the action, taking into account any related action, would not materially and adversely affect the grantee.

18. APPLICATION OF FUNDS. The proceeds received by the Company from the exercise of Options granted under the Plan shall be used for general corporate purposes.

19. GOVERNMENTAL REGULATION. The Company's obligation to sell and deliver shares of the Common Stock under this Plan is subject to the approval of any governmental authority required in connection with the authorization, issuance or sale of such shares.

20. WITHHOLDING OF ADDITIONAL INCOME TAXES. Upon the exercise of a Non-Qualified Option or the making of a Disqualifying Disposition (as defined in paragraph 21), the Company, in accordance with Section 3402(a) of the Code, may require the holder of the Stock Right to pay additional withholding taxes in respect of the amount that is considered compensation includible in such person's gross income. The Committee in its discretion may condition the exercise of an Option on the grantee's payment of such additional withholding taxes.

21. NOTICE TO COMPANY OF DISQUALIFYING DISPOSITION. Each employee who receives an ISO must agree to notify the Company in writing immediately after the employee makes a Disqualifying Disposition of any Common Stock acquired pursuant to the exercise of an ISO. A "Disqualifying Disposition" is any disposition (including any sale) of such Common Stock before the later of:

A. two years after the date the employee was granted the ISO, and

B. one year after the date the employee acquired Common Stock by exercising the ISO. If the employee has died before such stock is sold, these holding period requirements do not apply and no Disqualifying Disposition can occur thereafter.

22. GOVERNING LAW; CONSTRUCTION. The validity and construction of the Plan and the instruments evidencing Options shall be governed by the laws of the state of

Delaware. In construing this Plan, the singular shall include the plural and the masculine gender shall include the feminine and neuter, unless the context otherwise requires.
